

RE: MB Docket No. 04-233

K-LOVE supports wholesome values and has a positive and encouraging impact on communities all across America. Hundreds of thousands of people listen to K-LOVE on FM translators. If these translators are forced off the air these people will be without K-LOVE's signal. K-LOVE provides uplifting music that is appropriate for listeners of all ages and promotes positive moral values. Our radio being continuously tuned to K-LOVE helps us to get through our day. Please do not let LPFM stations take priority over K-LOVE's FM translator service. Thank-you
